A close-up photograph of the front grille of a Nissan vehicle. The central focus is the Nissan logo, which consists of a circular emblem with a horizontal bar across its center. The bar is silver and features the word "NISSAN" in bold, black, sans-serif capital letters. The circular emblem is also silver and has a dark, reflective center. The grille itself is dark grey or black with a prominent, angular, diamond-shaped pattern. The lighting is bright, creating strong highlights and reflections on the metallic surfaces.
